RE: PRC Docket #A2011-12 ("Wesleyville Post Office Closing"), March 29, 2011

Commissioner Goldway:

As a business customers of the Wesleyville Post Office located at 3112 Buffalo Rd.; Wesleyville, PA 16510-1700, I am writing in support of the above-referenced appeal, submitted by William A. Wittenberg. I think it would be detrimental not only to my business but many of the local businesses in Wesleyville and the surrounding area. I frequent the Wesleyville Post Office as many as four times a week or sometimes more. This is my primary postal facility for my business and everything goes through this branch.

I cannot believe that with as many businesses and customers that use this location it would even be considered for closing. Many businesses, including my own will have a tremendous expense incurred if this branch closes. We will have to have all materials pertaining to our business advertising reprinted at a tremendous cost. This will definitely put a burden on many small businesses such as my own.

I request the U.S. Post Service seriously reconsider to keeping the Wesleyville Post Office open and keep it open. It not only affects businesses but there are many elderly that live within walking distance and it is very convenient for them. This is especially true with Erie having some really harsh winter weather.

Thank you for your time and consideration in this matter.

Respectfully-Submitted,

Mrs. Gay E. Boutwell, Owner-Paws 'n Affection
